IN THE NAME OF NORTH DELTAS

SUPREME COURT OF NORTH DELTAS

WRIT OF CERTIORARI

BEFORE JUDGMENT · OF THE COURT'S OWN MOTION

TinyTeranadon v. The Government

SCND No. 1 of 2026 **Issued** 8 November 2026 **Record due** 11 November 2026

To: DracoTZN, Administrator and Court of First Instance, and the Government of the Server, greeting.

Whereas TinyTeranadon has filed with this Court a petition against the Government seeking the restoration of **Force Delta**, and has declared an intention to sue the Government in respect of it;

And whereas the Administrator, who would ordinarily decide the matter at first instance, is himself the Respondent to the claim, and no person may be judge in his own cause;

And whereas the matter raises a question of general importance to the Server which ought to be settled without delay;

Now therefore this Court, of its own motion, **grants certiorari before judgment** and **removes** the matter of *TinyTeranadon v. The Government* into the Supreme Court, to be heard and determined there at first and final instance;

And we command you to certify and transmit to this Court, within **three (3) days** of service of this Writ, the complete record relating to the matter, namely:

1. the decision, rule or announcement by which Force Delta was removed or disbanded, with its date and the reasons given;
2. every message, poll or vote relied on for that decision;
3. any earlier decision of the Government or of any court concerning Force Delta; and
4. a written **Answer** to the petition, stating the Government's position and the grounds for it.

And we further command that you take no step to decide, dismiss or otherwise dispose of the matter yourselves, and that the status of Force Delta remain as it stands at the date of this Writ until this Court orders otherwise.

Direction to the Petitioner. TinyTeranadon shall, within the same three (3) days, file a written statement of claim: what Force Delta was, how it was removed, and why it should be restored.

Witness the Chief Justice at North Deltas, under the Seal of the Court, this 8th day of November, 2026.
